WHO WE ARE & WHAT WE DO

Our Mission:

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens

Our Just Cause:

A "Just Cause" is our WHY, our noble purpose for being. Our WHY comes from our past ... and is our WHY projected into the future. It describes a future state in which our WHY has been realized. It is 1) for something, 2) inclusive, 3) service oriented, 4) resilient, and 5) idealistic.

- Simon Sinek, "The Infinite Game"

1. For Something - The Teen Center is for our teens and provides opportunities for success that are within reach for those teens that enter our Boys & Girls Club and aspire for success academically, character-wise and healthy lifestyles.

2. Inclusive - The Teen Center is inclusive, inspiring all teens to make worthwhile contributions at the Club, through Club Service and Club engagement, and feel valued for it.

3. Service Oriented - The Teen Center is service oriented, where the primary benefit for Club Service is for the gain and benefit of others, not ourselves. We exemplify this in good character and citizenship opportunities, such as engaging in community and Club service projects, modeling strong character.

4. Resilient - The Teen Center is resilient, in that our mission and just causes are our primary focus: teen success through opportunities for academic, character, and healthy lifestyle choices.

5. Idealistic - The Teen Center is idealistic, knowing that what we do is all about our Mission for every youth and teen that has walked, walks and will walk through our doors.

HOW DOES THE TEEN SUMMER PROGRAM WORK?

My teenage years were exactly what they were supposed to be. Everybody has their own path. It's laid out for you. It's just up to you to walk it.

Justin Timberlake

Good habits formed at youth make all the difference.

The **PURPOSE** of our teen programming is to engage teens in target-based, scheduled programs that are aimed to either introduce or reiterate basic to intermediate skills and fluency in various disciplines or subjects.

The **IMPLEMENTATION** of teen programming is done through highly encouraged and consistent attendance for each Teen Program. Please note some Teen Programs may have costs attached to them OR have specific prerequisites that need to be met to join that Teen Program. Please refer to our Programs Page for more information or contact Steve at steve@bgcstanton.com for any questions or inquiries.

To participate in **TEEN FIELD TRIPS**, teens will need to accumulate specific Teen Program Points AND/OR Club Service Hours as prerequisites. For example, if a Teen Field Trip needs 5 Teen Program Points and/or Club Service Hours, a teen will need to either attend 5 teen programs during the week OR amass 5 Club Service hours OR have a combination of the two (ex 3 Teen Program Points and 2 Club Service Hours). Teens will need to fill out a Teen Program & Club Service Hours sheet (which is their responsibility) which can be found at the Teen Center. All Teen Program Points and/or Club Service Hours will need to be completed BEFORE the Teen Field Trip.

Each **TEEN PROGRAM** offered will have a specific location, time, goal, expectation and lesson. Teen Programs can be found on the Teen Summer Weekly Schedule. While only some scheduled events are mandatory (ex lunch, Kids Cafe), other scheduled events and programs are highly encouraged for teen enrichment. If teens choose not to participate in scheduled teen programming and/or events, they will be provided alternatives, such as doing Club Service Hours.

Usage of the **TEEN CENTER** during Social Recreation time (aka Social Rec) is predicated on each teen participating in at least one teen program for that day OR completing at least one Club Service Hour for that day. If a teen has not completed one teen program or completed one Club Service Hour for that day before Social Rec time, that teen may attempt to complete the necessary requirement and then earn the privilege to utilize the Teen Center for THAT DAY. If a teen is unable to complete the necessary requirements to utilize the Teen Center for that day, they are then directed to utilize the other areas of the Club that are supervised by our Club Staff. Keep in mind the rules in the Teen Center and the rules outside the Teen Center may differ and will need to be adhered to.

WHAT ARE PH & CS? WHY ARE THEY NEEDED?

To ensure that each teen EARNs the privilege of going on a Teen Field Trip, each teen will need to accumulate **PH (Program Hours)** and/or **CS (Club Service Hours)** during the week of that specific Teen Field Trip. When a teen attends a teen program from start to finish for that day, that teen earns ONE Program Hour. When a teen assists Club Staff in their Club Area (with their permission) for a full hour, that teen earns ONE Club Service Hour. Each Teen Field Trip has a prerequisite number of PH/CSH needed that each teen, if they are attending that Teen Field Trip, will need to complete before 10AM on the day of the Field Trip. If the prerequisite PH/CSH are not met but the Teen Field Trip has been paid for, that teen will not be able to attend that field trip and a refund will be issued. **TEEN FIELD TRIPS ARE A PRIVILEGE, NOT A RIGHT.**

IS THERE ANY FINANCIAL SUPPORT FOR FIELD TRIPS?

Yes. During the summer, teens can participate in various fundraising opportunities to raise funds that go towards teen-related events, like Teen Field Trips. Teens that participate in fundraising opportunities will receive a portion of the funds made that can be used to lower costs of specific field trips. **THESE FUNDS CAN ONLY BE USED TOWARD THE FIELD TRIP COST, NOT ON ANYTHING ELSE** (ex funds for food, drinks, etc). Please note that once the Teen Summer Program concludes, any funds leftover will be directly donated to the Teen Center.

Teen Field Trips are subject to change

** Lunch is NOT included, so please bring extra money to purchase food and drinks*

*** If your teen has a valid Knott's Berry Farm Annual Pass, the field trip cost is \$10*
