## WHAT ARE PH & CS? WHY ARE THEY NEEDED?

To ensure that each teen **EARNs** the privilege of going on a Teen Field Trip, each teen will need to accumulate **PH (Program Hours)** and/or **CSH (Club Service Hours)** during the week of that specific Teen Field Trip. When a teen attends a teen program from start to finish for that day, that teen earns **ONE** Program Hour. When a teen assists Club Staff in their Club Area (with the Staff's

permission) for a full hour, that teen earns **ONE** Club Service Hour. Each Teen Field Trip has a required number of PH/CSH needed that each teen, if they are attending that Teen Field Trip, will need to complete before 10AM on the day of the Field Trip. If the prerequisite PH/CSH are **NOT** met, but the Teen Field Trip has been paid for, that teen will **NOT** be able to attend that field trip and a credit (that can be used for a future field trip) will be issued. **TEEN FIELD TRIPS ARE A PRIVILEGE, NOT A RIGHT.**

## FIELD TRIPS?

Yes. During the summer, teens can participate in various fundraising opportunities to raise funds that go towards teen-related events, like Teen Field Trips. Teens that participate in fundraising opportunities will receive a portion of the funds made that can be used to lower costs of specific field trips. **THESE FUNDS CAN ONLY BE USED TOWARD THE FIELD TRIP COST, NOT ON ANYTHING ELSE** (ex funds for food, drinks, etc). Please note that once the Teen Summer Program concludes, any funds leftover will be directly donated to the Teen Center.

*Teen Field Trips are subject to change*

*\* Lunch is NOT included, so please bring extra money to purchase food and drinks*

*\*\* If your teen has a valid Knott's Berry Farm Annual Pass, the field trip cost is \$10*
