

Great Adventures Start Here

Summer TEEN Camp

MAY 30st - AUGUST 11th

ADVENTURE AWAITS

Our Teen Summer Camp is all about engaging teens in leader building, inspiration expressing, culinary crafting, mentor maturing, teamwork developing, music making teen programs, excursions and opportunities.

WHY WE DO WHAT WE DO

OUR MISSION:

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens

OUR JUST CAUSE:

1. For Something - The Teen Center is for our teens and provides opportunities for success that are within reach for teens who enter our Boys & Girls Club and aspire to be successful through academic opportunities, through character opportunities and through healthy lifestyles opportunities.

2. Inclusive - The Teen Center is inclusive, inspiring teens to make purposeful contributions at the Club, through Club Service and Club engagement, and know they are valued for their positive impact.

3. Service Oriented - The Teen Center is service oriented, where the primary benefit of Club Service is for the gain and benefit of others, not ourselves. We exemplify this in good character and citizenship opportunities, such as engaging in community and Club service projects and modeling strong personal character and integrity as role models.

4. Resilient - The Teen Center is resilient, in that our mission and just causes are our primary focus: teen successes through service opportunities for academic, character, and healthy lifestyle choices in an inclusive and service orientated environment.

5. Idealistic - The Teen Center is idealistic, knowing that what we do is all about our Mission & Just Causes for every youth and teen that has walked, walks and will walk through our doors.

A "Just Cause" is our WHY, our noble purpose for being. Our WHY comes from our past ... and is our WHY projected into the future. It describes a future state in which our WHY has been realized. It is 1) for something, 2) inclusive, 3) service oriented, 4) resilient, and 5) idealistic.

Simon Sinek, "The Infinite Game"

"I loved the Teen Summer Program because I got to try new things to get better and to hang out with friends and get closer to them."
- Maranda, 16

HOW DOES THE TEEN SUMMER PROGRAM WORK?

The **PURPOSE** of our teen programming is to engage pre-teens and teens in target-based, scheduled programs that aim to either introduce or reiterate basic to intermediate skills and fluency in various subjects, themes or topics.

The **IMPLEMENTATION** of teen programming is achieved through consistent teen attendance and participation in our Teen Programs. Please note some Teen Programs may have specific prerequisites that need to be met before joining that Teen Program.

Please refer to our Programs Page for more information or contact the Teen Staff with any questions or inquiries.

Each **TEEN PROGRAM** offered will have a specific location, time, goal, expectation and lesson. Teen Programs are found on the Teen Summer Weekly Schedule. While some scheduled events are mandatory (ex lunch, Kids Cafe), other scheduled events and programs are highly encouraged for teen engagement and enrichment. If teens choose not to participate in scheduled teen programming and/or events, they will be provided alternatives, such as doing Club Service Hours at the Club.

To participate in **TEEN FIELD TRIPS**, teens will need to accumulate Teen Program Points AND/OR Club Service Hours as prerequisites. For example, if a Teen Field Trip needs 3 Teen Program Points and/or Club Service Hours, then that teen will need to either complete 5 teen programs during the week OR amass 3 Club Service hours OR have a combination of the two (ex 2 Teen Program Points and 1 Club Service Hours). Teens are responsible to fill out and keep their Teen Program & Club Service Hours sheets, which can be found at the Teen Center. All Teen Program Points and/or Club Service Hours need to be completed **BEFORE** the Teen Field Trip.

**"Thank you guys so much for this summer! The Staff were always there to help us and make sure we are having fun."
- Andrew, 13**

Usage of the **TEEN CENTER** during Social Recreation time (aka Social Rec) is predicated on each teen participating in at least one teen program for that day OR completing at least one Club Service Hour for that day. If a teen has not completed one teen program or completed one Club Service Hour for that day before Social Rec time, that teen may attempt to complete the necessary requirement and

then earn the privilege to utilize the Teen Center for **THAT DAY**. If a teen is unable to complete the necessary requirements to utilize the Teen Center for that day, they are then directed to utilize the other areas of the Club that are supervised by our Club Staff. Keep in mind the rules in the Teen Center may differ from the rules outside the Teen Center and will need to be followed at all times.

WHAT ARE PH & CSH? WHY ARE THEY NEEDED?

To ensure that each teen **EARNs** the privilege of being eligible to go on a Teen Field Trip, each teen will need to accumulate **PH (Program Hours)** and/or **CSH (Club Service Hours)** during the week of that specific Teen Field Trip. When a teen attends a teen program from start to finish for that day, that teen earns **ONE** Program Hour. When a teen assists Club Staff in their Club Area (with the Staff's permission) for a full hour, that teen earns **ONE** Club Service Hour. Each Teen Field Trip has a required number of PH/CSH needed that each teen, if they are attending that Teen Field Trip, will need to complete before 9AM on the day of the Field Trip. If the prerequisite PH/CSH are **NOT** met, but the Teen Field Trip has been paid for, that teen will **NOT** be able to attend that field trip and a credit (that can be used for a future field trip) will be issued. **TEEN FIELD TRIPS ARE A PRIVILEGE, NOT A RIGHT.**

IS THERE ANY FINANCIAL SUPPORT FOR FIELD TRIPS?

Yes. During the summer, teens can participate in various fundraising opportunities to raise funds that go towards teen-related events, like Teen Field Trips. Teens that participate in fundraising opportunities will receive a portion of the funds made that can be used to lower costs of specific field trips. **THESE FUNDS CAN ONLY BE USED TOWARD THE FIELD TRIP COST, NOT ON ANYTHING ELSE** (ex funds for food, drinks, etc). Please note that once the Teen Summer Program concludes, any funds leftover will be directly donated towards teen programming in the Teen Center during the school year.

Teen Field Trips are subject to change

** Lunch is NOT included, so please bring extra money to purchase food and drinks*

*** If your teen has a valid Knott's Berry Farm Annual Pass, the field trip cost is \$10*

Yes. During the summer, teens can participate in various fundraising opportunities to raise funds that go towards teen-related events, like Teen Nights. May 30th - June 1st • Sign Up For Teen Programs

JULY 10th-14th • 8:15AM-12:30PM • 12-17 Years Old

Youth Sailing Courses offer a unique opportunity for young sailors ages 12 to 17 to experience our local waterways, discover the magic of sailing, learn the skills they need to safely sail a small boat and gain an appreciation for the marine environment.

Sailing is a great teacher of life skills and students will learn about teamwork, problem-solving, cause and effect, science and technology, and much more along the way. The certified sailing instructors will help young sailors build skills, gain confidence and self-esteem while having fun and enjoying the outdoors.

Since this is a unique and limited experience, your teen must be able to attend ALL 5 DAYS of sailing instruction and sailing operation. If your teen is unable to attend all 5 days, please refrain from participating in this experience. If your teen misses 1 day of instruction, your teen will be dropped from this experience as completing all 5 days is a necessity in order to safely and correctly operate a sail boat. This is a FIRST COME, FIRST SERVED opportunity with limited capacity (12 spots only). Spots go to those who have not participated in this special program before.

TEEN FINANCES PROGRAM

Making dollars out of cents and sense out of dollars

OUR GOAL:

To provide fiduciary opportunities and knowledge for teens in the Teen Summer Program to earn funds and gain experience through responsibilities and comprehend the value of money

WHY DO TEENS NEED TO EARN MONEY

An investment in knowledge pays the best interest. - Benjamin Franklin

Teens who learn to earn their own finances show growth in their self-confidence and self-esteem as they gain experience through responsibilities and understanding of the value of money.

Through the Teen Finances Program and portions of our national finances program "Money Matters," teens learn responsibilities on how to earn funds through duties where they earn funds, keep track of the funds they've saved and invest those funds in teen excursions, being able to take satisfaction to pay for larger expenses on their own.

HOW DO TEENS EARN MONEY

Money is only a tool. It will take you wherever you wish, but it will not replace you as the driver. - Ayn Rand

Teens will be able to manage a simple checking account at the Teen Center as they accrue funds through fundraising opportunities (ex Snack Shack, Movie Days, etc).

Since the opportunities for raising funds is limited in capacity, each teen will be responsible for taking personal initiative to sign up for the next available "shift." Depending on the number of teens signed up and the total amount of money earned (minus supplies cost), each teen will receive a percentage of monies earned.
