

TUNNEL WALLS

BOYS & GIRLS CLUBS
OF STANTON

1

GATHER MATERIALS.

You will need:

- Construction paper
- Tape
- Scissors
- Cotton balls

2

FIND A WALL OR DOOR.

Find a wall or door to create your tunnel wall. Ask your parent/guardian for permission before you start taping the pieces of paper.

3

SELECT YOUR PIECES.

-Choose how big you want the pieces of paper to be. Cut them to size, ask an adult for help. You may use any size pieces of paper. You may also use unused paper towel rolls or toilet paper rolls.

4

COTTON BALL READY.

You may use cotton balls, pom poms or make your own balls out of tape or paper. Then drop the ball you are using in the top tunnels to watch the path it takes.
